Message from LJT...

It has been my pleasure to present some of the world's finest songwriters and entertainers to an ever increasing number of music fans. It has also been a pleasure to see those fans become as passionate about the music as I have been most of my life. We will have over 60 songwriters performing their original songs on stage this year, some old favorites, some new faces, and a few surprises.

If you've been before you know to pack your heavy coat, summer shorts, rain gear, suntan lotion and wind breaker and to get ready for 6 days of music and camping. So buy a new chili pot or shine up that old one, kick the tires on the RV or patch the tent, pack the lawn chairs, put strings on whatever needs strings and I'll see you around the campfires, I hope. ~ Larry Joe Taylor

Larry Joe Taylor

Website: www.larryjoetaylor.com
Hometown: Stephenville, TX
Current Project: 31st Annual Texas Music Festival
Latest Project: *Coalition* (2016)

When you hear this name, most likely what comes to mind is a massive music festival (and chili cook-off) that occurs annually just outside the small town of Stephenville, Texas. While this is an accurate association, "LJT" did in fact have a life before big stages, bright lights, and loyal fans.

Taylor started out in the early 70s no different than many of his fans are today: A full-time employee with a deep love of music armed with only an old guitar, and a dream. Influenced by great artists such as Guy Clark, Jerry Jeff Walker, The Doors, and Bob Dylan, Larry Joe writes songs that form their own genre somewhere between the coastal atmosphere of Jimmy Buffet, the country feel of his idols, and the world of rock and roll. Taylor's songs have been recorded by Jerry Jeff Walker and the Lost Gonzo Band, Gary P. Nunn, Richard Leigh, Keith Sykes, Tommy Alverson, Brian Burns, The Tejas Brothers, Chuck Pyle and more.

"Larry Joe Taylor and his festival represent one of the oldest, biggest, and most impactful music festivals in the United States annually, drawing 60,000+ fans to Melody Mountain Ranch in Stephenville, TX, to three stages, 50+ bands, and a festival that has been around for over a quarter of a century. It's a gathering of the tribes so to speak, and while the show is centered around the main stage, the atmosphere of camaraderie in the campground, with guitar pickings around campfires and artists mingling with fans, is what draws many to the fest annually, with the main stage of music simply as the backdrop." (Kyle "The Triggerman" Coroneos, savingcountrymusic.com)

While this is no doubt the biggest extravaganza that Taylor hosts, it's not the only music event that bears his name. Each July, he hosts "Island Time", a ten day trip to the small Caribbean island of Isla Mujeres, Mexico. August finds him in Red River, New Mexico for his "Hot Chili Days, Cool Mountain Nights" festival. He's back at Melody Mountain Ranch in September for his annual "Fall Fest" Texas Music Festival. Finally, January finds him on "LJT's Coastin' & Cruisin' Cruise", the largest songwriter cruise sailing out of Texas for the past 19 years. The Taylor family also has opened T-Birds Garage Pub which is host to many original music events throughout the year.

#SafeLJT

A Note from the Promoters of LJT

Welcome to the 31st Annual Larry Joe Taylor Fest! Last year we hosted over 60,000 folks here at Melody Mountain Ranch across the 6-day Texas Music event, and we look forward to reaching those numbers again and hopefully surpass them as this event continues to grow. Of course, with over 60,000 people in one place, it's like having a good-sized city in your backyard, so you are likely to have "good-sized city" issues behind the scene such as maintenance, electrical, plumbing, and even some crime. One thing that isn't nearly as much fun to discuss as your favorite dry rub that you use on those ribs you smoke at your campsite this year, but the most important topic is...SAFETY. Here at LJT the safety of our fans, artists, sponsors, and staff is our number one priority.

Over the past 31 years, the festival community has grown from a few hundred people to several thousand. Of course, with any growth brings changes, but the community and "brotherhood" vibe has held on tight through those years. After the stage shuts down at night, the campground still lights up with campfires surrounded by fans and artists sharing food, drinks, and stories. Artists hop from one campfire to another, playing requests and sharing the stories behind their music.

As in any group of thousands of people, there are always a few people in any community who are willing to cause harm, but we outnumber them. If you see trouble brewing, please do something. You may be wondering what, exactly, to do. The short answer is, keep it simple and safe. You don't have to cause a scene, and please don't put yourself or others in danger. You have lots of options for what you say or do, and you can be creative. Consider these examples:

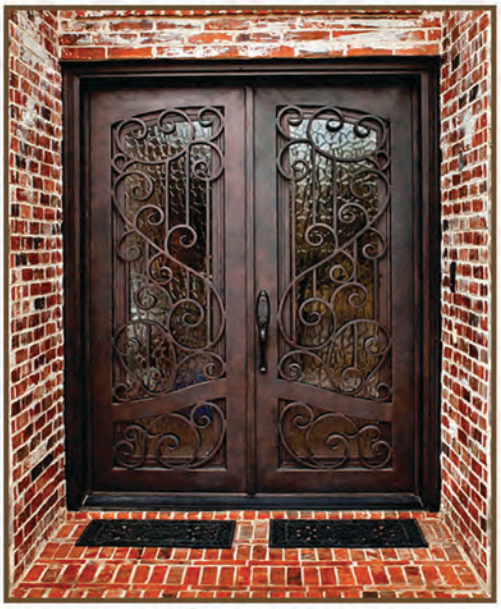

BE DIRECT - tell the person who's trying to cause harm to knock it off. Or, just check in on the person you're worried about. "Hey, you ok? Need help finding your friends?"

ALERT SOMEONE ELSE - maybe you have a large and vocal friend who will say anything. Get that friend to check on someone you're worried about. Alert the friends of the person you're worried about: "Hey I think your friend needs some help." Or, alert security, law enforcement or a member of our friendly staff to assist you. Law enforcement will be within 100 yards of every stage and campsite, and we are all here to help!

CAUSE A DISTRACTION - maybe you see a fight brewing so you and your friends start belting out your favorite song, right by the people who are arguing. Or you see a young man trying to lead a young unwillingly woman off away from a group, so you act confused. "Where's the main stage? But what time does Ray Wylie play? How long have you been here?" Be a (non-confrontational) pest until he leaves or she wanders back to her friends.

There are many ways to help, and a good place to start is to create awareness! We would love to include you in our #SafeLJT campaign by offering you one of our #SafeLJT wristbands! We introduced these bracelets last year and had several folks asking for them, so please request one at the front gate when you arrive, at the merchandise booth, or from any of our friendly bar staff at our TBirds and VIP bars. Wearing this bracelet means you're part of a community, and you're committed to the safety of the community. Most of all, look out for each other and have a great time!

RIG POWER

Rental Equipment

Rental Products

Rig Power has one of the newest and best maintained fleets of equipment in its areas of operation. It is the goal of the company to provide clients with a worry free power and lighting solution for projects small and large to any location. The standards of maintenance are rigorous with strict schedules on oil changes and quality checks for generators on location in order to keep uninterrupted service. Fueling options are available for long term projects as well. The company strives to have zero down time on equipment and the record proves it with virtually no equipment failures on record. In the event of any problem, we have field service personnel that are available to switch out equipment on location.

Rig Power also offers portable living quarters and ancillary equipment for comfortable lodging in the most remote areas. Satellite television is an option as well. Rig Power staff keeps the quarters stocked with all the essentials and are always available for needs that may arise or restocking consumable items. Many clients stay for months on location enjoying the comforts of their own home.

Other equipment is available for rent such as air compressors and power washers. Though Rig Power may not have exactly what you need, the company is known for providing equipment solutions to clients from forklifts to cranes. We are happy to extend our relationship with other vendors to any client and provide the same great service along the way.

Simple Ways to stay HYDRATED!

- **Drink before you're thirsty**

  Drink water on a consistent basis, so you never reach the point of thirst.

- **Always carry a water bottle**

  If you have a bottle within arms reach, it's very likely that you'll mindlessly sip from it throughout the day.

- **Track your intake**

  There are many phone apps and alarms that can help track and remind you to drink up.

- **Eat water-rich foods**

  Water-packed snacks including melon, berries, bell peppers and grapes, are all good options

- **Watch your urine output**

  If it looks light colored or clear, you're doing great! But if it's a deep yellow or light orange, you're probably not drinking enough fluid.

Don't Own an RV?

Rent One!

Tired of sleeping on the ground, no electricity, eating out of a cooler and standing in line for a shower? Why not sleep in a real bed, have unlimited (quiet) electricity, your own refrigerator and a hot shower, and be close to the back stage entrance, *Come check us out festival weekend. We're on the road that goes backstage!*

There's no place else on Earth we'd rather be...than at Larry Joe Taylor's 31st Annual Music Festival & Chili Cook-off....deep in the Heart of Texas...staying in an El Monte RV!

THE EL MONTE RV ADVANTAGE:

EASY: Turn-key packages. Drive up, unload your clothes and cooler, and you're done!

LOCATION: You are close to both the Acoustic Stage and the Main Stage (if you take the package that includes our camping space).

AFFORDABILITY: It's cheaper than you think---share cost with your friends.

NO SURPRISES: You know up front what your total cost is.
ALL of our packages include 4 nights, unlimited use of a quiet generator, taxes insurance.

LJT's 22nd Annual ISLAND TIME

July 19th - July 29th, 2019

Isla Mujeres, Mexico

Just 8 miles from Cancun, Isla Mujeres, (*Island of Women*) is a fishing village 5 miles long and ½ mile wide that has retained its charm and tranquil atmosphere and is truly a little piece of paradise! Join us for a long weekend, a week, or the entire 10 days.

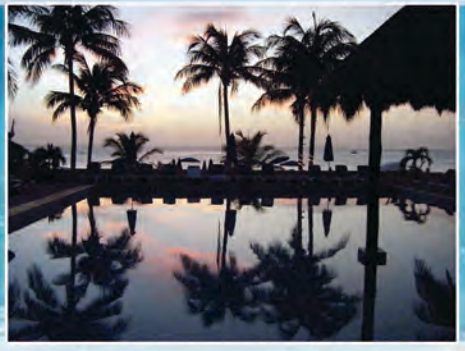

WHAT GOES ON

Larry Joe will be taking a few of his songwriter friends and musicians along for shows at Jax Bar, the musical headquarters and gathering place for happy hours. Spend the days relaxing on the powder white beaches, snorkeling, diving, fishing, shopping, or relaxing in a hammock. The group gathers daily for the magnificent sunsets. By night you can cook fresh fish or dine in nearby downtown on fabulous meals of every variety. Golf carts are a fun way to get around, see the sites and visit the many beach front palapa bars. LJT's Island Time trip is about relaxing with good music, good friends and sharing GOOD TIMES!

LODGING & LAMINATES FOR GROUP EVENTS

Nautibeach Condominiums, the group lodging headquarters this year, is a beautiful property that includes a large swimming pool with a swim up bar, restaurant, and one of the most beautiful private beaches on the island. All condos are ocean and pool view, have two bedrooms, one bath, a full kitchen, dining and living room. You will need a laminate to get into all shows, happy hours, and group events. Laminates come with a special "LJT Island Time" souvenir. Call Sherry at Third Coast Travel 254.968.8505 to book a condo at Nautibeach and purchase laminates. She can also assist you in recommending other lodging on North Beach and will be happy to answer any questions you have.

HOW TO GET THERE

You book your own airfare into Cancun, get a transfer to the Gran Puerto Ferry by cab or private van for the 20 minute ride to Isla Mujeres. Then YOU'RE ON ISLAND TIME. For any questions about how to get there, call Sherry at Third Coast Travel 254.968.8505.

LJT's Island Time in Isla Mujeres, Mexico July 19th - July 29th, 2019

BOYD STREET STUDIO
@ MELODY MOUNTAIN RANCH

"With their years of experience in the music business, working with Josh and Ben was a pleasure, but it's the quality of the work that truly speaks for itself! Each album has it's own voice and soul. With every one released they set the bar higher and higher."
~Jon Young - Singer/Songwriter

"Upon finishing my second album I noticed, not only as musicians, but as producers and engineers, how much Josh and Ben had matured in the studio. We used different techniques, ideas, and work theories, which only helped us in the studio. Album #2 was just as easy, if not better than the first, which gets me ready to go record #3."
~Joe Teichman - Singer/Songwriter

"These guys are creating a new movement of Texas music. Their musical vision for the sake of a song is remarkable and original. It is its own brand of production."
~Jay Saldana - Producer/Drummer Wade Bowen

"Working with Ben and Josh was an incredible experience. They are real musicians who get out there, and are equally as talented in the studio. The proof is in the music!" ~Kody West - Singer/Songwriter
